- NPR coverage of Next Year in Havana by Chanel Cleeton. News, author interviews, critics' picks and more.

Next Year in Havana : NPR -

- Next Year in Havana is this type of book; as I read, I was constantly ruminating about how fabulous the book was. I love that feeling, and to me, it is the sign of an exceptionally good book. Next Year in Havana is told in a dual timeline format, alternating between the late 1950s and present day.
