Thu, 11 Oct 2018 07:14:00 GMT - A binary option is a financial exotic option in which the payoff is either some fixed monetary amount or nothing at all. The two main types of binary options are the cash-or-nothing binary option and the asset-or-nothing binary option. The former pays some fixed amount of cash if the option expires in-the-money while the latter pays the value of the underlying security. They are also called ...

- The nuclear option (or constitutional option) is a parliamentary procedure that allows the United States Senate to override a rule – specifically the 60-vote rule to close debate – by a simple majority of 51 votes, rather than the two-thirds supermajority normally required to amend the rules. The option is invoked when the majority leader raises a point of order that only a simple majority ...
