Mon, 13 Aug 2018 00:31:00 GMT - Bushcraft is a popular term for wilderness survival skills. The term was popularized in the Southern Hemisphere by Les Hiddins (the Bush Tucker Man) as well as in the Northern Hemisphere by Mors Kochanski and recently gained considerable currency in the United Kingdom due to the popularity of Ray Mears and his bushcraft and survival television programs. It is also becoming popular in urban ...

- Survival skills are techniques that a person may use in order to sustain life in any type of natural environment or built environment. These techniques are meant to provide basic necessities for human life which include water, food, and shelter. The skills also support proper knowledge and interactions with animals and plants to promote the sustaining of life over a period of time.
